Il basamento nei colori laccati opachi, ossidati o metal, per combinazioni dall'effetto prezioso.

Three metal legs, with a clean, dynamic design, support the circular top on Sunny, a contemporary style pared-back table. The top comes in marble or lava stone, or in the noce and olmo termotrattato finishes, matt and oxidized lacquered finishes, or in the light stone option: a strong, impermeable hard-paste ceramic material. The base in a choice of matt, oxidized or metal lacquered colours makes for luxe-feeling combinations.
